ABOUT COLLEGE:

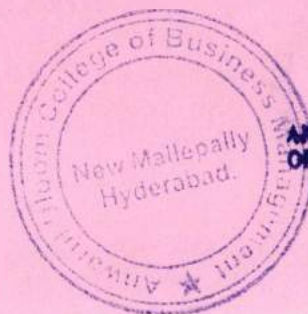

Anwarul Uloom College of business management has carved a niche for itself over a period of two decades. Our relentless effort in imparting quality education through participatory teaching methodologies and pedagogical tools helped in chiselling personality of students. Anwarul Uloom College of business management is not just an educational institution; it is a commitment, a commitment towards building a new generation of smart and capable individuals the custodians of the future. One of the best colleges in our country, Anwarul Uloom College of business management has wide reputation for its quality of learning and a holistic approach towards grooming the students

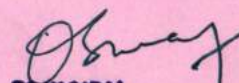

VISION:

“To provide skill-based quality higher education by continuously striving for excellence in delivering education service to all sections of the society, especially the socio-economically under privileged minority students with focus on youth empowerment, thereby ensuring future contribution in upholding the values of national integration, secularism and social commitment”.

MISSION:

The motto of the college is a verse of the Holy Quran revealed to Prophet Mohammed (saw) “READ IN THE NAME OF THY LORD”. With this aim, providing higher education for the empowerment of youth of Telangana state especially the marginalized people has been the main thrust of this college.

ABOUT COLLEGE:

Anwarul Uloom College of business management has carved a niche for itself over a period of two decades. Our relentless effort in imparting quality education through participatory teaching methodologies and pedagogical tools helped in chiselling personality of students. Anwarul Uloom College of business management is not just an educational institution; it is a commitment, a commitment towards building a new generation of smart and capable individuals the custodians of the future. One of the best colleges in our country, Anwarul Uloom College of business management has wide reputation for its quality of learning and a holistic approach towards grooming the students

VISION:

“To provide skill-based quality higher education by continuously striving for excellence in delivering education service to all sections of the society, especially the socio-economically under privileged minority students with focus on youth empowerment, thereby ensuring future contribution in upholding the values of national integration, secularism and social commitment”.

MISSION:

The motto of the college is a verse of the Holy Quran revealed to Prophet Mohammed (saw) “READ IN THE NAME OF THY LORD”. With this aim, providing higher education for the empowerment of youth of Telangana state especially the marginalized people has been the main thrust of this college.

The programme covered a range of topics, including

- The basics of qualitative research, research design, data collection techniques, data analysis, and writing research reports.
- The seminar began with an introductory session on the first day, where Mr. Srinivas Rao Kaveti provided an overview of qualitative research design. He explained the different approaches to qualitative research, including grounded theory, ethnography, case study, and phenomenology. He also discussed the advantages and disadvantages of qualitative research design and its application in different fields.
- Throughout the week, Mr. Srinivas Rao Kaveti delivered lectures and facilitated discussions and practical exercises that provided participants with a comprehensive understanding of qualitative research design. The lectures covered various topics, including research design, sampling techniques, data collection methods, and qualitative data analysis techniques.
- The practical exercises were a crucial aspect of the seminar, as they helped participants apply the theoretical concepts they learned during the lectures. Mr. Srinivas Rao Kaveti provided participants with several case studies and research problems that required them to design research studies, select appropriate data collection methods, and analyze data. Participants worked in groups and presented their findings to the rest of the class, which encouraged collaboration and interaction among participants.
- On the third day of the seminar, a guest lecture was delivered by Dr. Pradeep Kumar, a renowned academician, and researcher. Dr. Kumar spoke about the latest developments in qualitative research methodology and how they can be applied in different fields. His lecture provided participants with a broader perspective on the subject and encouraged them to think critically about qualitative research design.
- The seminar concluded with a workshop on report writing. Participants were given hands-on experience in writing research reports and presenting their findings. The workshop was conducted by Mr. Srinivas Rao Kaveti, who guided participants through the different steps involved in writing a research report. The workshop was a great way to wrap up the seminar, as it allowed participants to apply the knowledge they gained during the week.

Outcomes of the programme

- The outcomes of the seminar were significant, as participants gained an in-depth understanding of qualitative research design.
- They learned how to design research studies, select appropriate data collection methods, and analyze data.
- The practical exercises and case studies provided participants with hands-on experience in applying the concepts they learned during the lectures. The guest lecture by Mr. Srinivas Rao Kaveti and the workshop on report writing provided an extra dimension to the seminar, and participants were grateful for the opportunity to learn from experienced academics.
- Overall, the seminar on "Qualitative Research Design" at the Anwarul Uloom College of Business Management was a success. Mr. Srinivas Rao Kaveti's expertise and experience, along with the practical exercises and guest lecture, made the seminar a valuable learning experience for all participants. The seminar was a testament to the college's commitment to promoting research and academic excellence and its dedication to providing its students with the best possible learning opportunities. The participants left the seminar with a deeper understanding of qualitative research design, which they can apply in their future research endeavors.

ABOUT COLLEGE:

Anwarul Uloom College of business management has carved a niche for itself over a period of two decades. Our relentless effort in imparting quality education through participatory teaching methodologies and pedagogical tools helped in chiselling personality of students. Anwarul Uloom College of business management is not just an educational institution; it is a commitment, a commitment towards building a new generation of smart and capable individuals the custodians of the future. One of the best colleges in our country, Anwarul Uloom College of business management has wide reputation for its quality of learning and a holistic approach towards grooming the students

VISION:

“To provide skill-based quality higher education by continuously striving for excellence in delivering education service to all sections of the society, especially the socio-economically under privileged minority students with focus on youth empowerment, thereby ensuring future contribution in upholding the values of national integration, secularism and social commitment”.

MISSION:

The motto of the college is a verse of the Holy Quran revealed to Prophet Mohammed (saw) “READ IN THE NAME OF THY LORD”. With this aim, providing higher education for the empowerment of youth of Telangana state especially the marginalized people has been the main thrust of this college.
