Scholarship Policy

The Scholarship Policy is created with the basic aim of not denying quality if education to deserving candidates who aspire to come up in life. As the institution is run on not-for-profit objective, any surplus money generated is distributed among students either in the form of cash or kind. The scholarship policy practiced at Anwarul Uloom College of Business Management is briefly described below:

- Economically backward students from far of places are eligible.
- Students by near by places but not economically sound are eligible.
- Institution is interested in providing national and international exposure to students to have a global perspective and business perspective by covering all expenses which includes local travel to industrial visits, hotel accommodation and food.
- Students are given free memberships in various associations, domestic industrial visits and placement training during their studies.
- In addition, if there is a special request, based on merit it would be considered case by case.
