OF BUSINESS MANAGEMENT
New Malleshpally, Hyderabad.

Introduction:

Anwarul Uloom College of Business Management has conducted a Three-day workshop titled "Troubleshooting Computer hardware and software" on 26 to 28 September 2022 for its staff and students. Mr. Wali ur Rahman from Elegant Computer Services was the resource person.

The three-day program on software and hardware troubleshooting the computers was designed to provide participants with the knowledge and skills necessary to diagnose and troubleshoot hardware and software problems on computers. The purpose of this report is to provide an overview of the program and evaluate its effectiveness.

Program Overview:

The program was divided into three days, with the first day focused on software troubleshooting, the second day on hardware troubleshooting and the third day on enhancing the performance of the system from time to time. The program covered topics such as identifying common software and hardware issues, diagnosing and troubleshooting problems, and best practices for maintaining and repairing computers.

Day 1 - Software Troubleshooting:

The first day of the program focused on software issues, such as malware infections, driver issues, and software compatibility problems. Participants learned how to diagnose and troubleshoot software issues using tools such as antivirus software, system restore, and device manager.

Day 2 - Hardware Troubleshooting:

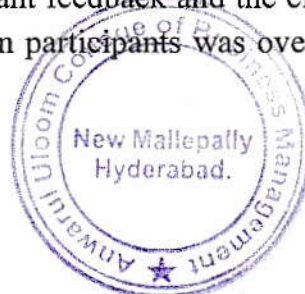

The second day of the program focused on hardware issues, such as hard drive failures, motherboard issues, and power supply problems. Participants learned how to diagnose and troubleshoot hardware issues.

Day 3 – Maintenance and enhancement of system

The third day was on how we can enhance the efficiency of the computer from time to time. How to identify unwanted files and which file to be deleted to enhance the performance of the system.

Program Evaluation:

The program was evaluated based on participant feedback and the effectiveness of the program in achieving its objectives. The feedback from participants was overwhelmingly positive, with

PRINCIPAL
ANWARUL ULOOM COLLEGE
OF BUSINESS MANAGEMENT
New Mallepally, Hyderabad.

many noting that they felt more confident in their ability to diagnose and troubleshoot computer problems after completing the program.

Program Outcome:

The three-day program on software and hardware troubleshooting the computers was highly effective in providing participants with the knowledge and skills necessary to diagnose and troubleshoot hardware and software problems on computers. The program covered a wide range of topics and provided participants with practical tools and techniques for diagnosing and resolving computer issues. The program can help individuals improve their technical skills, as well as provide valuable training for IT professionals seeking to enhance their knowledge and expertise in the field.

Mr. Wali ur Rahman has very patiently demonstrated various troubleshooting issues and their solutions encountered by the users every day. He has emphasized that the users should not depend on computer technician for small troubleshoots and that one should have minimum troubleshooting skills so as to minimize loss of time and money.

ANWARUL ULOOM COLLEGE
OF BUSINESS MANAGEMENT
New Malleshpally, Hyderabad.

Introduction:

The program "Safeguarding the Digital Data" by Dr. Osman Bin Salam was held from 15 to 17 November 2021. The program aimed to provide attendees with comprehensive knowledge and skills in cyber security. The program was designed for beginners as well as experienced users who wanted to enhance their cyber security skills.

Day 1:

The program began on 15 November 2021 with an introduction to cyber security. Dr. Osman Bin Salam started the program with the basics of cyber security, including types of cyber threats, cyber security measures, and security frameworks. The attendees also learned about security policies and standards, risk management, and incident response.

Day 2:

On the second day of the program, which was held on 16 November 2021, Dr. Osman Bin Salam covered more advanced topics in cyber security. The attendees learned about network security, web security, cloud security, and mobile security. They also learned how to secure their systems and networks using firewalls, intrusion detection systems, and antivirus software.

Day 3:

Third day on 17th November was devoted to question and answers, Dr. Osman Bin Salam patiently answered all the queries pertaining to safety and security of the data. It was then followed by the valedictory function. Dr. Y. Vinodhini gave the vote of thanks.

Program Outcome:

The "Safeguarding the Digital Data" program by Dr. Osman Bin Salam was a huge success. The attendees, who were mostly professionals from various industries, appreciated the program's comprehensive coverage of cyber security. They reported that the program provided them with valuable knowledge and skills that they can use in their day-to-day work.

The attendees also appreciated the interactive nature of the program, which included hands-on exercises and case studies. They reported that the program's format helped them understand and retain the information better.

Conclusion:

The "Safeguarding the Digital Data" program by Dr. Osman Bin Salam was a highly informative and engaging experience for the attendees. The program's comprehensive coverage of cyber security, combined with its interactive format, made it a valuable learning experience. The attendees reported that they would recommend the program to others who want to enhance their cyber security skills.

We are excited to announce a two-day workshop on "DIGITAL MARKETING – A ICT INITIATIVE IN THE EMERGING MARKETS," which will be held on 2nd to 4th December, 2020 in Anwarul Uloom College of Business Management Seminar Hall. The workshop is designed to provide participants with an in-depth understanding of digital marketing strategies and tactics that are most effective in emerging markets.

The workshop will be a combination of lectures, interactive discussions, and practical exercises. Participants will have the opportunity to apply the concepts learned during the workshop to real-world scenarios.

We look forward to seeing you at the workshop and helping you develop your skills in digital marketing.

Introduction:

The digital marketing landscape is constantly evolving, particularly in emerging markets. With the rise of digital technologies, there is a growing need for organizations to develop effective digital marketing strategies that can help them reach and engage with consumers in these markets. The three-day workshop on digital marketing in the emerging markets was designed to

provide participants with a comprehensive understanding of digital marketing strategies and tactics that are most effective in these markets.

Workshop Content:

The workshop covered a wide range of topics related to digital marketing in the emerging markets, including the following:

Day 1:

Understanding Emerging Markets: Participants were introduced to the unique characteristics of emerging markets and the challenges and opportunities they present for digital marketing.

Social Media Marketing: The workshop covered social media marketing strategies and best practices for engaging with consumers in emerging markets.

Mobile Marketing: Participants learned about the importance of mobile marketing in emerging markets and best practices for creating mobile-friendly content.

Day 2:

Content Marketing: The workshop covered content marketing strategies and tactics for creating effective content in emerging markets.

Search Engine Optimization (SEO): Participants learned about SEO techniques and how to optimize content for search engines in emerging markets.

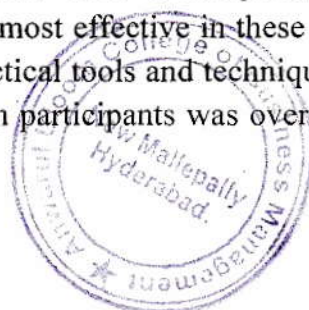

Email Marketing: The workshop covered email marketing strategies and best practices for engaging with consumers in emerging markets.

Day 3:

Measurement and Analytics: Participants learned about the importance of measurement and analytics in digital marketing and how to measure the effectiveness of their digital marketing campaigns in emerging markets.

Program Outcome:

The three-day workshop on Digital Marketing – A Ict Initiative in The Emerging Markets was highly effective in providing participants with a comprehensive understanding of digital marketing strategies and tactics that are most effective in these markets. The workshop covered a wide range of topics and provided practical tools and techniques for engaging with consumers in emerging markets. The feedback from participants was overwhelmingly positive, with many

OF BUSINESS MANAGEMENT
New Mallepally, Hyderabad.

noting that they gained a deeper understanding of digital marketing in emerging markets and felt more confident in their ability to apply these strategies in their own work.

Conclusion:

Digital marketing is becoming increasingly important for organizations that want to reach and engage with consumers in emerging markets. By incorporating digital marketing strategies into business operations, organizations can improve their reach and engagement with consumers in emerging markets and enhance their overall marketing outcomes.

Introduction:

The program "EXCEL – A COMPUTING AND ANALYTICAL SOFTWARE" by Mrs. Sadiya was held from 29 to 31 August 2019 in Anwarul Uloom College of Business Management. The program aimed to provide attendees with comprehensive knowledge and skills in Microsoft Excel. The program was designed for beginners as well as experienced users who wanted to enhance their Excel skills.

Sadiya
PRINCIPAL
ANWARUL ULOOM COLLEGE
OF BUSINESS MANAGEMENT
New Mallepally, Hyderabad.

Day 1:

The program began on 29 August 2019 with an introduction to Microsoft Excel. Mrs. Sadiya started the program with the basics of Excel, including navigating the interface, creating and managing workbooks, and entering data into worksheets. The attendees also learned how to format cells, create formulas, and use basic functions in Excel.

Day 2:

On the second day of the program, which was held on 30 August 2019, Mrs. Sadiya covered more advanced topics in Excel. The attendees learned about conditional formatting, data validation, sorting and filtering data, and creating charts and graphs. They also learned how to use pivot tables and pivot charts to analyze and summarize data.

Day 3:

The final day of the program, which was held on 31 August 2019, focused on advanced Excel features. Mrs. Sadiya covered topics such as using advanced functions, working with macros, and automating tasks using VBA. The attendees also learned how to create custom templates and use Excel add-ins to enhance their productivity.

Program Outcome:

The "Excel with Excel" program by Mrs. Sadiya was a huge success. The attendees, who were mostly professionals from various industries, appreciated the program's comprehensive coverage of Excel. They reported that the program provided them with valuable knowledge and skills that they can use in their day-to-day work.

The attendees also appreciated the interactive nature of the program, which included hands-on exercises and case studies. They reported that the program's format helped them understand and retain the information better.

Conclusion:

The "Excel with Excel" program by Mrs. Sadiya was a highly informative and engaging experience for the attendees. The program's comprehensive coverage of Excel, combined with its interactive format, made it a valuable learning experience. The attendees reported that they would recommend the program to others who want to enhance their Excel skills.

Introduction:

The three-day program on "Accounting Packages for Financial Computing" was conducted by Dr. Durdana Begum. The program was held on 23 to 25 August 2018 at the Anwarul Uloom College of Business Management in Hyderabad, India. The aim of the program was to educate and train individuals on various accounting software packages and their applications in businesses.

Day 1 - 23 August 2018

The program started with an opening speech by the Director of the Anwarul Uloom College of Business Management, where he emphasized the importance of accounting software packages in businesses. This was followed by a keynote address by Dr. Durdana Begum, where she gave an overview of the topics that would be covered in the program.

New Malleshpally, Hyderabad.

The first session of the day was on "Introduction to Accounting Packages," where Dr. Durdana Begum discussed the basics of accounting software packages and their applications in businesses. She also talked about the various types of accounting software packages available in the market.

The second session of the day was on "Tally Accounting Package & QuickBooks " where Dr. Durdana Begum discussed the features and applications of the two accounting software packages. She also demonstrated how to use Tally and QuickBooks for various accounting functions, such as ledger creation, voucher entry, and financial statement preparation.

Day 2 - 24 August 2018

The second day of the program started with a recap of the previous day's sessions. This was followed by a session on "Peachtree Accounting Package," where Dr. Durdana Begum discussed the features and applications of the Peachtree accounting software package. She also demonstrated how to use Peachtree for various accounting functions, such as payroll management, job costing, and financial statement preparation.

The second session of the day was on "SAP Accounting Package and the latest trends" where Dr. Durdana Begum discussed the features and applications of the SAP accounting software package. She also demonstrated how to use SAP for various accounting functions, such as accounts payable, accounts receivable, and general ledger management.

Day 3 - 25 August 2018

Dr. Durdana on the third day addressed the career prospects and made the session interactive by answering the queries of the students. It was then followed by the vote of thanks by Dr. Atiya Mahboob.

Program Outcome

The program was attended by around 100 students. The program received positive feedback from the attendees, who found it to be informative and helpful in understanding the various accounting software packages available in the market. The program helped the students to develop a basic understanding of the features and applications of various accounting software packages, including Tally, QuickBooks, Peachtree, and SAP. The attendees also learned how to use these software packages for various accounting functions in their businesses.

Conclusion

The three-day program on " Accounting Packages for Financial Computing " by Dr. Durdana Begum was a success in terms of achieving its objective of educating and training individuals on various accounting software packages and their applications in businesses. The program provided valuable insights into the features and applications of various accounting software packages and equipped the attendees with the necessary skills and knowledge to use these software packages in their businesses.
