New Malleshpally, Hyderabad.

OBJECTIVES OF THE PROGRAM:

- ❖ Encouraging creative thinking: One of the primary objectives of an innovative approach in management program is to encourage creative thinking among managers and leaders. Through this program, participants can learn how to think outside the box and develop new and innovative ideas for their organizations.
- ❖ Enhancing problem-solving skills: Another objective of this program is to enhance the problem-solving skills of managers and leaders. Participants can learn how to identify complex problems and find innovative solutions to address them.
- ❖ Improving decision-making: Effective decision-making is critical for the success of any organization. An innovative approaches in management program can help managers and leaders learn how to make better decisions by considering various factors and thinking critically.
- ❖ Encouraging collaboration: Collaboration and teamwork are essential for the success of any organization. An innovative approaches in management program can help participants learn how to work effectively in teams and collaborate with colleagues to achieve common goals.
- ❖ Developing leadership skills: Innovative approaches in management program can help participants develop their leadership skills. They can learn how to inspire and motivate their teams, communicate effectively, and lead their organizations to success.
- ❖ Promoting innovation culture: An innovative approaches in management program can help promote a culture of innovation within an organization.

PRINCIPAL
ANWARUL ULLOOM COLLEGE
OF BUSINESS MANAGEMENT
New Mallopetty, Mysurabad.

Participants can learn how to create an environment that encourages creativity, experimentation, and innovation.

TOPICS COVERED IN THE PROGRAM:

- ❖ **Design Thinking:** This approach involves using empathy to understand the needs of stakeholders, brainstorming creative solutions, and prototyping and testing those solutions.
- ❖ **Agile Management:** An approach that emphasizes iterative and incremental development, with a focus on flexibility and adaptability.
- ❖ **Lean Management:** An approach that focuses on reducing waste and increasing efficiency through continuous improvement and customer value creation.
- ❖ **Innovation Strategy:** Developing an innovation strategy that aligns with the overall business strategy, and identifying opportunities for innovation.
- ❖ **Disruptive Innovation:** Understanding the potential impact of disruptive technologies and business models, and how to respond to them.
- ❖ **Digital Transformation:** Understanding the impact of technology on business processes and customer behavior, and developing strategies to adapt to the digital age.
- ❖ **Creativity and Ideation:** Techniques for generating and evaluating new ideas, and fostering a culture of innovation within an organization.
- ❖ **Change Management:** Strategies for managing organizational change

ANWARUL ULOOM COLLEGE
OF BUSINESS MANAGEMENT
New Malleshpally, Hyderabad.

and overcoming resistance to innovation.

- ❖ Leadership for Innovation: Developing the leadership skills necessary to foster a culture of innovation and lead teams through the innovation process.
- ❖ Collaboration and Teamwork: Techniques for fostering collaboration and teamwork to support innovation and achieve business goals.

OUTCOME OF THE PROGRAM:

The Faculty Development Program on Innovative Approaches in Management commenced with the Internal Quality Assurance Cell Coordinator & Vice-Principal Mr. Mohammed Ibrahim Uddin giving an introduction of the speaker Dr. Y. Vinodhini, Professor Anwarul Uloom College of Business Management.

The program covered various aspects of:

Improved decision-making: By learning innovative management approaches, managers can become more adept at making strategic decisions that benefit the organization.

Increased efficiency and productivity: Innovative approaches can help managers identify ways to streamline processes, reduce waste, and increase efficiency, which can ultimately lead to increased productivity and profitability.

PRINCIPAL
ANWARUL ULOOM COLLEGE
OF BUSINESS MANAGEMENT
New Mallepally, Hyderabad.

Enhanced collaboration and teamwork: Managers who have a solid understanding of innovative management approaches can better facilitate teamwork and collaboration among their team members.

Improved employee engagement and retention: Managers who are well-versed in innovative approaches can create a more engaging and rewarding work environment for their employees, which can lead to improved retention rates.

Enhanced organizational agility: Innovation is often associated with adaptability and agility, and managers who learn innovative approaches can help their organization become more agile and better able to respond to changes in the business environment.

Overall, conducting an Innovative Approaches in Management program can be a worthwhile investment for organizations looking to improve their management practices and stay competitive in today's rapidly changing business landscape.

ABOUT COLLEGE:

Anwarul Uloom College of Business Management has carved a niche for itself over a period of two decades. Our relentless effort in imparting quality education through participatory teaching methodologies and pedagogical tools helped in chiselling personality of students. Anwarul Uloom College of Business Management is not just an educational institution; it is a commitment, a commitment towards building a new generation of smart and capable individuals the custodians of the future. One of the best colleges in our country, Anwarul Uloom College of Business Management has wide reputation for its quality of learning and a holistic approach towards grooming the students.

ABOUT INNOVATIVE APPROACHES IN MANAGEMENT:

Innovative approaches in management refer to new and creative methods and strategies that organizations use to improve their performance, increase efficiency, and achieve their goals. These approaches can be applied to different areas of management, including human resources, operations, marketing, finance, and information technology.

FACULTY DEVELOPMENT PROGRAMME SUBTHEMES:

- Design thinking
- Agile management
- Lean management
- Holacracy
- Gamification
- Social responsibility

OBJECTIVES OF THE PROGRAM:

- Enable faculty members to understand the psychological needs of students and how they impact their academic performance.
- Enhance the ability of faculty members to identify and address various psychological issues that students may face.
- Equip faculty members with essential knowledge and skills to create a supportive and positive learning environment for students.
- Provide a platform for faculty members to exchange ideas and best practices on addressing psychological issues of students.
- Provide an in-depth understanding of the psychological aspects that influence students' academic performance

TOPICS COVERED IN THE PROGRAM

- Introduction to student psychology
- Understanding student behavior
- Identifying psychological issues
- Addressing psychological issues
- Creating a positive learning environment
- Handling challenging situations
- Best practices
- Enhancing emotional Intelligence communication skills
- Use of technology in enhancing student learning and academic performance
- Strategies to improve student motivation and engagement

PRINCIPAL

OF BUSINESS MANAGEMENT
New Malleshpally, Hyderabad.

OUTCOME OF THE PROGRAM:

The Faculty Development Program on Student Psychology commenced with the Internal Quality Assurance Cell Coordinator & Vice-Principal Mr. Mohammed Ibrahim Uddin giving an introduction of the speaker Dr. Abdul Aleem, Professor Anwarul Uloom College of Business Management.

The program aimed to train the faculty of different colleges on Students Psychology. The program covered various aspects of students Psychology including Understanding Students Behavior, Enhancing Students Learning, Addressing Mental Health Concerns, Developing Interpersonal Skills and Providing Career Guidance Building.

The faculty members gained an in-depth understanding of the various psychological aspects that influence students' academic performance. They learned about the importance of understanding students' personality, motivation, learning style, and emotional intelligence. The program provided strategies to deal with common psychological issues faced by students, such as stress, anxiety, depression, and substance abuse. Faculty members learned about the importance of identifying these issues and providing appropriate support to students.

The program focused on developing emotional intelligence and communication skills among faculty members. Faculty members gain knowledge about the importance of effective communication and how it can impact students' academic performance. The program provided a platform for faculty members to exchange ideas and best practices, which enhanced communication and collaboration among them. Faculty members acquired

OF BUSINESS MANAGEMENT
New Malenpally, Hyderabad.

knowledge about strategies for creating a supportive and positive learning environment for students, which can help them thrive academically.

The participants had gained new skills and knowledge that can be applied in teaching leading to improvements in the quality of academic programs.

The program was also a success in terms of participant feedback. The participants gave positive feedback on the content and delivery of the program, with many stating that they found the program to be informative, engaging, and practical.

Dr. Abdul Aleem has clearly explained better teaching methodologies strategies and tools that will surely contribute to creating a more supportive and positive learning environment which can benefit student's psychological health and academic success. Surely this program will have a positive Impact on faculty's and student's psychology. The program's outcomes have the potential to contribute to better academic outcomes for students and contribute to the institution's overall success.
