Circular

All the MBA students are hereby informed that the college will be conducting a two-day workshop on the subject "Solid Waste to Energy Conversion," on 17 and 18 Jan. 2023. The aim of the program is to examine the potential of converting solid waste into energy through various technologies. This will help the student learn how to effectively make use of the technologies available in discarding the solid waste with minimum effect on the environment. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a one -day seminar on the subject **"Food Waste Reduction and Recovery,"** on 10 Aug. 2022. The aim of the program is to analyze the strategies to reduce food waste at different stages of the supply chain. The program will encourage students to find alternatives for repurposing food waste in to different valuable products like compost or biogas. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject **"Role of Stakeholder Engagement in E-Waste Management Systems,"** on 4 July 2022. The aim of the program is to address the immediate need for collaboration between the government and business establishments including NGOs and individuals in creating effective e-waste management systems. The students will participate in the sessions to brainstorm ideas for concerted efforts in their local communities. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a two-day workshop on the subject, **"Solid Waste-Upcycling Fusion"** on 19 Sep. 2022. The program emphasizes the importance and urgent need for responsible e-waste management practices. There is a greater need for students to learn the techniques of recycling and proper disposal of e-waste to minimize the adverse effects of e-waste on the environment. The participants will get to know about the harmful effects of e-waste and also improve their ability to tackle the growing problems of solid waste. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject, **"Health and Environmental Impact of E-Waste,"** on 20 Oct. 2021. The aim of the program is to examine the hazardous materials present in the electronic devices and the potential risks they pose to the health and environment. This will help the students to understand the ways in which e-waste can be reduced, thereby, improving the personal health and environment. Students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

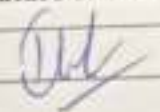

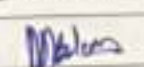

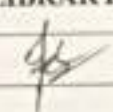

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject **"The Latent Environmental Cost of Electronics,"** on 6 Dec. 2021. The aim of the program is to unveil the hidden environmental cost of electronic waste. It focuses on the lesser known environmental impact because of manufacturing, distribution and disposal of electronic waste. This program will apprise the students with the present conditions being faced related to energy consumption and resource depletion in producing the electronic gadgets including its harmful effects. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

(A MUSLIM MINORITY INSTITUTION)

Affiliated to Osmania University | Approved by AICTE | Permitted by Govt. of Telangana

#11-3-918, New Malleshpally, Hyderabad - 500001, T.S., India.

Programme Report

Name of the programme: The Latent Environmental Cost of Electronics,

Date: 6 Dec. 2021(one-day seminar)

Resource person:

Donald Issac

Team- Business Development

Earth Science Recycle Pvt. Ltd – Hyderabad

8530264302

Coordinator:

Dr. Shahnaz Sultana, Associate Professor

AUCBM,

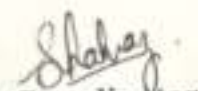

shahnaazkhan@gmail.com

9642251828

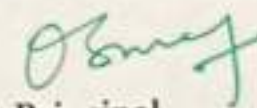

Objective of the programme: The objective of the program was to unveil the hidden environmental cost of electronic waste.

Outcome of the programme: The program focused on the lesser known environmental impact because of manufacturing, distribution and disposal of electronic waste. It apprised the students with the present conditions being faced related to energy consumption and resource depletion in producing the electronic gadgets including its harmful effects.

Circular

All the MBA students are hereby informed that the college will be conducting a two- day workshop on the subject **"E-Waste Awareness in the Community,"** on 7 & 8 Dec. 2020. The aim of the program is to empower the participants to become e-waste advocates in their community. This will equip the students to contribute towards the goal of reducing the environmental impact of e-waste. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

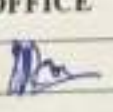

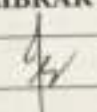

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject **"E-Waste Management in Developing Countries- Challenges and Eco- friendly Solutions,"** on 11 Jan. 2021. The aim of the program is to address the challenges faced by the developing countries in managing e-wastes. The program will also have a case study session in management and eco-friendly disposal of e - wastes. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject "Government Policy Frameworks for Waste Management," on 21 March 2021. The aim of the program is to evaluate the role of government policies and regulations in shaping waste management practices. The students will learn the various ways in promoting, recycling and reducing waste generation in line with the legislation. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a two-day workshop on the subject, "Understanding E-Waste and its Impact," on 19 July and 20 July 2019. The aim of the program is to provide the participants with a proper understanding about e-wastes and its composition. The issues related to the health and environmental hazards associated with improper disposal will be highlighted. This program will equip students, with required skills, in handling e-wastes. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

#11-3-918, New Malleshpally, Hyderabad - 500001, T.S., India.

Programme Report

Name of the programme: Understanding E-Waste and its Impact

Date: 19 & 20 July 2019 (two-day workshop)

Resource person:

R.A.K Shakeel

Finance Manager

B.R. Industries

9849127458

www.brindustries.in

Coordinator:

Dr. Syed Abdul Aleem

Professor

AUCBM

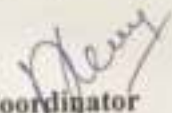

afeefaaleem@yahoo.com

9885090136

Objective of the programme: The objective of the program was to provide the participants with a proper understanding about e-wastes and its composition.

Outcome of the programme: The issues related to the health and environmental hazards associated with improper disposal were highlighted. This program equipped students, with required skills, in handling e-wastes.

No. of participants: 100

Circular

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject **"E-Waste Art and Innovation"**, on 6 Sep. 2019. The aim of the program is to repurpose the discarded electronics to create functional objects and art installations. This program will ensure that the students unleash their creative potential to make unique art using the electronic waste. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject **"E- Waste and the Circular Supply Chain,"** on 9 Dec. 2019. In this program the students will discuss the role of a circular supply chain in the electronic industry. It also examines how the manufacturers, consumers and recycling entities collaborate in order to reduce waste and extend the product life cycle. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

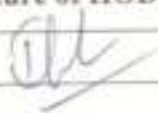

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject "**Recycling Waste**," on 6 Jan. 2020. The aim of the program is to identify ways in recycling plastic waste, kitchen waste and cattle waste. The students will get an opportunity to learn the various methods of waste collection and its segregation. The program will enlighten the students how to make the best out of the waste. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a one day seminar on the subject **"Social and Ethical Dimensions with Special Reference to E-Waste,"** on 1 Dec. 2018. The aim of the program is to discuss the various social and ethical dimensions related to E-Waste. The discussion will give a fair idea to the students regarding the ethical and social aspects of electronic waste including the working conditions of informal e-waste collectors. The program provides a platform to measure and minimize the effect of e-waste on vulnerable communities particularly in developing countries. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Programme Report

Name of the programme: Social and Ethical Dimensions with Special Reference to E-Waste

Date: 1 Dec. 2018 (one-day seminar)

Resource person:

Mrs. Modepalle Vinitha

Director

GSB Forge

6384449371

www.gsbforge.com

Coordinator:

Dr. Atiya Mahboob, Professor

AUCBM

atiyamahboob@gmail.com

9848278552

Objective of the programme: The objective of the program was to discuss the various social and ethical dimensions related to E-Waste.

Outcome of the programme: The discussion gave a fair idea to the students regarding the ethical and social aspects of electronic waste including the working conditions of informal e-waste collectors. The program provided a platform to measure and minimizes the effect of e-waste on vulnerable communities, particularly in developing countries.

Circular

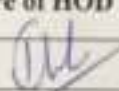

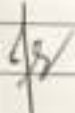

All the MBA students are hereby informed that the college will be conducting a two-day workshop on the subject **"Solid Waste Generation and Composition – Policy and Legal Framework on Solid Waste Management sustenance,"** on 24 Sep. and 25 Sep. 2018. The program is directed to bring awareness about solid waste generation and composition. This will help student community to take significant strides towards a cleaner and environmentally responsible future. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

All the MBA students are hereby informed that the college will be conducting a one -day seminar on the subject "**E- Waste Recycling Technologies**," on 7 July 2018. The aim of the program is to explore methods in extracting valuable materials from electronic devices simultaneously reducing the environmental impact. The students will get an opportunity to learn how to put the discarded material to the best possible use. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

ANWARUL ULOOM COLLEGE OF BUSINESS MANAGEMENT

(A MUSLIM MINORITY INSTITUTION)

Affiliated to Osmania University | Approved by AICTE | Permitted by Govt. of Telangana

#11-3-918, New Mallepally, Hyderabad - 500001, T.S., India.

04.01.2019

Circular

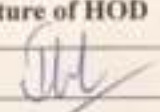

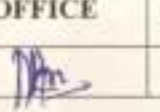

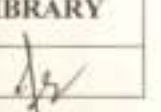

All the MBA students are hereby informed that the college will be conducting a one day seminar on the subject **"Electronic Product Design for Sustainability,"** on 25 Jan. 2019. The program emphasizes the importance of eco-friendly electronic product design. The students will get an opportunity to learn necessary skills to enhance the lifespan and recyclability of the electronic devices. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.

Circular

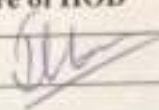

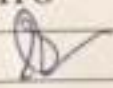

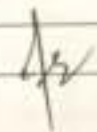

All the MBA students are hereby informed that the college will be conducting a one-day seminar on the subject **"Solid Waste Reduction and Minimization Strategies,"** on 30 March 2019. The aim of the program is to explore the methods to minimize solid waste, at source. The program will equip the participants to reduce the amount of waste generated and make sustainable use of the solid wastes. The students are advised to register their names with the concerned faculty, for attending the program, well in advance.
